

NOTICE

CRYSTAL FALLS TOWNSHIP RESIDENTS

On Saturday, October 3, 2026. Crystal Falls Township's annual fall cleanup will be held from 8:00 AM to 11:30 AM.

The township has been receiving an increasing number of complaints about debris and junk accumulating on residential properties. The Crystal Falls Township zoning ordinance prohibits accumulating waste, rubbish, garbage, refuse, and trash on residential properties. Please consider using this opportunity to reduce township blight.

trucks will be stationed behind the township hall. Drivers will monitor drop-offs. *Assistance from township employees will be very limited!*

Accepted items: small furniture, small appliances, old clothing, small pieces of wood (4ft or less), and items that do not fit into bags. Any non-hazardous waste

Items not accepted: no yard waste (grass clippings/leaves/branches, no tires, no refrigerators/freezers, no items marked as hazardous (stains, insecticides, oil, etc.), no batteries, no fluorescent light bulbs, no free liquids, asbestos, electronics, TVs, or computers.

For this fall cleanup, a private individual will collect metal, electronics, batteries, and appliances not accepted by the township. For questions about what this individual accepts, please call 906-367-2547.
