Recreational Marihuana

Recreational Marihuana has two different ordinance language. They are titled Facility and Marihuana establishments.

Facility ordinance covers the five (5) original facility types: Grower, Processor, Provisional, Secure Transporter and Safety.

Marihuana Establishments covers all five (5) types of facilities plus microbusiness, retailer, and special licenses which would be for:

1. Marihuana Event Organizer: Apply for a temporary Marihuana event license under the rules.
2. Temporary Marihuana Event license for an event where the onsite sale or consumption of Marihuana products are authorized at the location on the license as to the specific event, date, time and approved by local municipality.
3. Designated Consumption Establishments means a commercial space that's licensed by state and authorized adults 21 years of age or older can consume marihuana products. A fee can be charged, sells other products than Marihuana, does not need a medical card and can be used by a visitor to the site.

The attached ordinance is for the Prohibition of recreational marihuana establishments to cover all of the above. This is just general information for the board to understand the differences.

I, Nancy Niemi, Township Clerk for Crystal Falls Township, certify that the above Ordinance Number 106, is a true and complete copy of said ordinance adopted by the Crystal Falls Township Board on September 10, 2019, at a meeting held in the Crystal Falls Township Hall at 2:00 p.m. dated September 10, 2019, and signed by Nancy Niemi, Crystal Falls Township Clerk.
